# Hospice Vaughan

Since 1995, Hospice Vaughan has been providing compassionate palliative care services and soothing grieving hearts in our community. In April 2021 Hospice Vaughan opened the doors to our 10-bed palliative care hospice residence and the Mario & Nick Cortellucci Hospice Palliative Care Centre of Excellence, the first specialized health care facility of its kind in Vaughan. We are a hub for palliative care programs and services in the province. All programs and services are free of charge.

## How Can You Help?

Supporting Hospice Vaughan means giving a better tomorrow to a member of your community. Hospice Vaughan's mission is clear - help people with life-limiting illnesses live fully in comfort and with dignity until they die, while providing support for families, friends, and caregivers.

Our vision is bold - to transform hospice palliative care and end-of-life care in Vaughan, a mission and vision made possible by community members like you. We hope you will consider supporting this event, every dollar goes towards our important community programs and services. Spread the word, donate and join us!
