

Grief and Family Support Therapist, Permanent, Full-Time

Hospice Vaughan

Since 1995, Hospice Vaughan, a not-for-profit organization, has been helping people with life-limiting illnesses live fully in comfort and with dignity until they die, while providing support for families, friends, and caregivers. We provide a 12-bed residential hospice as well as a range of community services, including community navigation and case management, grief and family support services, day programs, and complementary therapies and wellness programs.

Join Our Team

This role will appeal to a dynamic and experienced regulated health care professional who values hospice palliative care and is eager to support a growing organization and an energetic team. Reporting to the Manager of Community Services, the Grief and Family Support Therapist will provide individual as well as group counselling to clients in our community program. This involves supporting those living with and dying from life-limiting illnesses and their caregivers, as well as people experiencing grief after a loved one has passed.

Primary Duties and Responsibilities

- Provide individual and group counselling to clients in the community (in person and/or virtually)
- Coach and mentor clinical and community team members to enhance their grief and bereavement support skills
- Develop and implement strategies to support the expansion of activities by engaging volunteer and residence services and by developing relationships with community partners and organizations
- Participate in quality improvement activities
- Participate in the Accreditation process
- Support grant-specific activities, when appropriate or aligned to your portfolio
- Participate in Hospice Vaughan events
- Support the residence program, if required

Position Requirements

- Licensed/certified as a regulated health professional in Ontario
- University degree in Psychology, Counselling, Social Work, or equivalent with expertise in the areas of hospice and palliative care; a master's degree is an asset
- Counselling experience
- Demonstrated understanding of hospice palliative care
- Experience working with an interprofessional team
- Experience working with volunteers and diverse populations
- Strong computer skills (e.g., Word, Excel, Outlook, Teams, Zoom, etc.)
- Knowledge of Hospice Palliative Care Ontario standards
- Completed palliative education
- Willingness to perform any other duties to ensure that Hospice Vaughan operates in an effective and professional manner
