A NOTE FROM OUR EXECUTIVE DIRECTOR

CARMELINA CICUTO

Every day, families share how grateful they are for the compassionate care and support they and their loved ones receive at Cortellucci Hospice Vaughan. In some of life's most difficult moments, our team is there to provide comfort, dignity and a sense of peace when it is needed most.

As the new Executive Director of Cortellucci Hospice Vaughan, it is a privilege to witness the extraordinary compassion of our staff, volunteers and community every day. I am honoured to be part of this important work and to invite you to partner with us in ensuring that this work continues for those who need it most.

This year marks the 21st annual Hike for CHV, and I am especially grateful that my first hike with the organization will be alongside so many members of our community who believe deeply in the importance of hospice care. We are pleased to host the Hike for CHV 2026 on Sunday, June 14, 2026, at the beautiful McMichael Canadian Art Collection. Over the past twenty one years, this special event has brought together families, friends, local leaders and supporters to raise critical funds and awareness for hospice care.

More than a fundraiser, the Hike is a meaningful opportunity for participants to honour loved ones, share their stories, and celebrate the lives and legacies that continue to inspire them. It is a powerful reminder that hospice care is not only about the end of life, but about compassion, connection and community.

We are seeking valued partners to support this important initiative. Your sponsorship will directly help provide compassionate end-of-life care at no cost to patients and families, ensuring they are surrounded by comfort, respect and support during an incredibly vulnerable time. It also offers your organization meaningful visibility and the opportunity to stand with a community that believes every person deserves dignity and care at the end of life.

We hope you will consider joining us in making a lasting impact in our community. It would truly be an honour to have your support.

With gratitude,

Executive Director

ABOUT CHV

CORTELLUCCI HOSPICE VAUGHAN

Founded in 1995, Cortellucci Hospice Vaughan (CHV) provides compassionate, free end-of-life care to residents of Vaughan and surrounding communities. In addition to our 12-bed residential care centre, we provide community programs; including Health System Navigation, Caregiver Support, Child and Youth Support, Day Programs, and Wellness Programs to support clients and their families. These services address physical, emotional, and psychological needs while helping families focus on meaningful moments together.

To date, CHV has supported over 1,000 residents and their families.

YOUR SUPPORT MATTERS

All our essential programs and services are offered 100% free of charge. As the only facility of its kind in Vaughan, demand for care continues to grow, and we need community support to continue our mission. With just over 50% of funding provided by the Government of Ontario through the Ministry of Health and Ontario Health, we rely on the generosity of individuals and organizations to close a \$2 million annual gap and sustain our vital programs and services. This is why your support for community events like Hike for CHV is crucial.
